

## **ASSOCIATION FOR SPINA BIFIDA AND HYDROCEPHALUS - SOUTH AFRICA (ASBAH-SA)**

**30 October 2014**

---

We celebrated International Spina Bifida and Hydrocephalus day on the 25<sup>th</sup> October and this was displayed by wearing the colour yellow. It was celebrated as an awareness day at Volkskerk van Afrika, cnr of 2<sup>nd</sup> Avenue and Klipfontein Road, Belgravia, Athlone, Cape Town this enabled us to rekindle our support groups in the different areas. We also informed parents, children and adults about The Association for Spina Bifida and Hydrocephalus which was officially launched on the 2 October 2014. The awareness day was the first event after the launch for people, parents and kids with Spina Bifida and Hydrocephalus. The board members are, Zubeida Toefy (Founder member of ASBAH-SA), Rozanne Bihl (Co-ordinator of ASBAH-SA), Steffan Cavernelis (Chairman), Brenda Joshua (Treasurer) and Frances Petersen (Secretary). It was an exciting and fulfilled day with games and treats for the kids, most certainly enjoyed by one and all.

Regards,  
Rozanne Bihl  
ASBAH-SA
